Welcome letter from Jonny Uttley CEO

I would like to welcome you to the Education Alliance. Let me tell you a little bit about us.

Our core purpose is to make great schools and happier, stronger communities so that people have better lives. This underpins everything we do. The way we do this is by: always doing what is right; trusting in each other and standing shoulder to shoulder and doing what we know makes the difference.

We know that staff and pupils only thrive in a culture and leaders create a culture in which staff have an enjoyable, rewarding working environment in which all colleagues believe the demands of their job are reasonable and manageable. It is essential that our schools are led in an ethical way that is driven by moral purpose. The Trust is dedicated to developing, growing and retaining talented leaders and staff across the Trust and we invest heavily in staff development.

We start from an assumption of professional trust and the belief that everyone seeks to do a good job. We operate within a spirit of openness and transparency and staff are encouraged to feel confident to raise any concerns or issues they have. All our staff contribute to developing a thriving culture of openness, honesty and kindness, in which we make each other's lives better as well of those of our young people.

Included here are our workload charter and ethical leadership framework which will give you a sense of what this means.

The Snaith School is a wonderful, proudly comprehensive school that is at the heart of the local community. The Snaith School is a key part of the TEAL family of schools. We look forward to hearing from you.

Jonny Uttley
CEO, *The Education Alliance*

What do our Headteachers say about TEAL?

Our school joined the Education Alliance in November 2019 and since then we have benefited immensely from working within the Trust. The support has been invaluable on many different levels. Our staff really appreciate working collaboratively with other colleagues within the Trust to develop our curriculum and share training. We have also really valued the support we have received in other areas, such as finance, HR, catering and premises. We are excited to be part of the Trust moving forward as we continue to enhance the opportunities for our children. – **Richard Winks**

Joining The Education Alliance was definitely the right decision for The Snaith School and me personally. The alignment of values and commitment to ethical leadership were key factors in our decision alongside the practical steps the trust has taken to reduce workload. Reducing the replication of effort sounds convincing but at TEAL it is underpinned by robust policies and processes that make a real difference to staff's work/life balance. We work collaboratively at every level, challenging and supporting each other for the benefit of our pupils. The accountability is high but we operate in a culture of low threat and professional trust meaning I am motivated, challenged and supported to succeed. I enjoy coming to work. – **Michaela Blackledge**

Some say that Headship can be a 'lonely place', at times. Not in The Education Alliance! Malet Lambert was lucky to be one of the first schools to join TEAL. The support we receive as a school from the trust team has been crucial in our development. Much of the 'heavy lifting' is taken away from schools, which means my leadership team and I can focus more on the day to day running of the school, whilst working alongside trust colleagues strategically. The trust has assisted us in the development of the school, whether it be our curriculum offer, value for money procurement or sustainability, just as a few of many examples. The skillset in the trust team is strong and varied. The size of the trust also allows a very personal offer, where everyone knows everyone else and you very much feel like a valued school rather than just a number. Malet Lambert is a very proud member of TEAL, as am I as a Headteacher. – **Patrick Sprakes**

As headteacher of Hunsley Primary, I have always felt the strength of collaboration and shared moral purpose across the trust's schools to be a powerful support in all aspects of my role. Schools and their leaders will always face both opportunities and challenges - often in equal measure - and it is inspiring to know that no leader in the trust works alone. Instead, we work positively and creatively across a wide team to share one another's successes and to offer thoughtful solutions to questions, inspired by the same values. As a group of headteachers, our collective understanding and experience mean that we draw on each other readily, in a proper spirit of support and mutual respect. – **Lucy Hudson**

As a new headteacher, being part of TEAL is invaluable. I am part of a wider team of headteachers who I am able to share ideas with, seek advice from and, ultimately, this helps to improve the experiences for all our young people. The advantage of working as a group of schools is that we can share ideas and resources which reduce workload and make people's lives easier. This reduces the duplication of effort across TEAL and helps us take full advantage of the expertise we have in all of our schools. A wide range of similar groups work together regularly, including: whole school curriculum leaders, pastoral leaders and SENDCOs. Whatever your role in TEAL, the opportunity to work with other people across our schools helps us to secure the best experience for our pupils, whilst keeping workload as manageable as possible. – **Vicky Loftus**

What does Ofsted say about TEAL?

"Staff work very effectively with others in The Education Alliance (TEAL) trust to enhance the experience and opportunities that all pupils have at The Snaith School."

Ofsted, May 2022, [The Snaith School](#)

"Trustees and governors are passionate about the school. They have a forensic understanding of the strengths and areas of development of the school. They carefully consider the well-being and workload of staff. The school is given the resources it needs to help pupils and students to achieve well."

Ofsted, 2025, [Driffield School and Sixth Form](#)

"The provider's relentless focus on continual improvement is compelling. Leaders listen carefully to the views of trainees and use this to continually refine the programme. Tutors work with groups of trainees to elicit feedback and maintain the highest quality of provision."

THE WORKLOAD CHARTER

OUR PROMISE

For too long in too many English schools, staff have been asked to choose between being seen as good at their job and being a good mum, dad, partner, son, daughter or friend. We say, "no more".

While we are far from perfect, we will do everything we can to support our staff to balance the demands of their jobs and those at home, and we recognise that in everyone's life there are good times and bad. It is the job of all of us to support each other through both.

CULTURE

The culture of the trust and our schools is critical in ensuring we have an enjoyable, rewarding working environment in which all colleagues believe the demands of their job are reasonable and manageable.

We start from an assumption of professional trust and the belief that everyone seeks to do a good job. We ask all leaders to set a good example in how they behave and that they try to reduce levels of stress and anxiety in the organisation.

WORKLOAD

The trust supports the principle of 1265 hours for teaching staff, and where a colleague is not required to attend a particular directed event, for a reason such as not teaching a particular year group, they should not be given directed work.

LESSON PLANNING

Staff are not expected to submit daily or weekly plans. IT systems will be aligned to establish systems and processes that minimise the replication of effort across different schools.

MARKING AND FEEDBACK

- ▼ There is no central trust-wide or school-wide approach.
- ▼ There is no centrally prescribed frequency of written feedback.
- ▼ Each subject may have a different approach developed by our subject experts.
- ▼ We mark less in terms of the number of pieces of work but with greater impact.
- ▼ We should not use acknowledgement marking.

DATA COLLECTION

The trust continues to explore greater use of technology to reduce aspects of teacher workload involved in data collection.

Currently, schools collect student performance data only twice a year to ensure they can monitor progress without over-burdening staff. Teachers are only asked to input data that requires their professional judgement.

EMAILS

There is no expectation that staff respond to emails outside normal working hours. We want all staff to be able to achieve a healthy work-home balance and we trust the professional judgement of our staff to make decisions about when they work outside school hours. We ask all staff, including leaders, to refrain where possible, from sending group emails and to think carefully before using the 'reply all' function.

WORKING PRACTICES

Where new initiatives are introduced, they should be based on evidence that they are likely to improve student outcomes and serious consideration must be given to what we are going to stop doing to 'make space' for what is new.

INSPECTION

The trust does not conduct 'mocksteds' that require teachers to provide lesson plans or that involve processes outside the normal quality assurance and performance development policies.

ETHICAL LEADERSHIP CHARTER

COMPETENCIES AND BEHAVIOURS

Our Ethical Leadership Charter provides our leaders with the principles to support them with ethical behaviours.

TRUST

Leaders are trustworthy and reliable. We do this by...

- ▼ Being reliable, consistent, credible, honest, humble, courageous and kind.
- ▼ Managing emotions and helping others to manage their emotions.
- ▼ Keeping promises and doing what you say you will do.
- ▼ Having a genuine interest in others.

OPTIMISM

Leaders are positive and encouraging. We do this by...

- ▼ Believing in our own ability, and the ability of others, to do what is right to change the world for the better.
- ▼ Calling out negativity and cynicism.
- ▼ Remaining positive and encouraging, despite sometimes experiencing setbacks, challenges and pressures. Helping others to maximise opportunities, overcome challenges and celebrate success.

KINDNESS

Leaders demonstrate respect, generosity of spirit, understanding and good temper. We do this by...

- ▼ Being kind, humble and authentic.
- ▼ Leading with compassion and care, listening and seeing beyond the job role to the person.

COURAGE

Leaders work courageously in the best interests of children and young people. We do this by...

- ▼ Give the whole truth, the back-story and the why.

SERVICE

Leaders are conscientious and dutiful. We do this by...

- ▼ Reducing stress and anxiety in the organisation by modelling calm and considerate behaviour.
- ▼ Behaving in a dutiful, conscientious way, demonstrating humility and self-control to build great schools.
- ▼ Removing barriers and blockers to enable others to do their jobs well.
- ▼ Leaving our egos at the door and putting ourselves in the service of others.
- ▼ Channel ambition into our schools, not ourselves, and developing our successors.

WISDOM

Leaders use experience, knowledge and insight. We do this by...

- ▼ Developing knowledge and real expertise, then sharing knowledge.
- ▼ Learning from mistakes and failures and admitting when we are wrong.
- ▼ Recruiting knowledgeable, skilled experts, learning from them, embracing their expertise and helping them to flourish.
- ▼ Viewing systems, methods, models and techniques as a means to an end, removing or changing them if they prove to be ineffective.

JUSTICE

Leaders are fair and work for the good of all children. We do this by...

- ▼ Doing what is right, rather than what is popular or easy.
- ▼ Ensuring we live and breathe our sense of purpose and values in the way we behave, interact with others, make decisions and communicate.
- ▼ Ensuring rules are necessary and applying them in a consistent, transparent and fair way, whilst allowing for discretion and common sense.
- ▼ Valuing difference, building diverse teams and encouraging others to behave responsibly towards the community and the environment.

VISION

Leaders have a clear sense of purpose and focus their attention, strategic direction, and resources on achieving their dream. We do this by...

- ▼ Anticipating the future and helping people ready themselves for change. Thinking strategically, researching, gathering, analysing and assessing information, seeking opportunities for organisational development.
- ▼ Scan the horizon, read and research, share learning with others and collaborate to consider options, obstacles and risks.
- ▼ Believing in the potential of others; helping them be the best they can be.
- ▼ Quickly taking in new information and translating that into recommendations, decisions, plans and projects.

The Snaith School is proud of its reputation for academic success, traditional values and strong pastoral care. Rooted in our local community, we are a school of 840 pupils, educating pupils from Snaith and a number of surrounding villages. We are small enough to feel like a family and we pride ourselves on knowing and appreciating our pupils as individuals. However, we are also large enough to offer a wide and exciting curriculum in both Key Stage 3 and Key Stage 4, run numerous sports teams and invite the community in to school to enjoy productions and concerts.

“Snaith is a school that does not stand still.”

Ofsted 2022

“A place where pupils are proud to attend.”

These services are delivered with care, confidentiality and a focus on supporting each child's individual needs.

The Snaith School is committed to safeguarding and promoting the welfare of children and young people. Our recent Ofsted inspection stated "Leaders ensure a strong culture of stafeguarding. Staff receive annual training and frequesnt safeguarding updates, including identifying any emerging risks locally and nationally. As a result, staff are clear about the dangers that pupils face and how to report any concerns to the Designated Safeguarding Leader (DSL).

All staff receive training on appointment and regular updates. DBS clearance is required prior to any appointment being made. The School's Child Protection and Safeguarding Policy can be accessed on our school website [Policies & Privacy Notices | The Snaith School](#), and the Education Alliance Child Protection Policy can be access on the TEAL website [Trust Policies – The Education Alliance](#).

We are the heart of our community, opening doors to great opportunities and happy successful lives.

We do this by:

We have a strong community ethos which is embedded in our pastoral system. The pastoral support offered to pupils is recognised as a strength of the school. We are committed to developing the whole child. Examination results and what pupils learn are incredibly important, but it is also essential that our children are happy, know how to keep themselves physically and mentally healthy, and that they are successfully prepared for life beyond school.

Over recent years, we have made a significant investment in our buildings to ensure we can deliver a first class learning experience which will equip our pupils with the skills required for work in the 21st Century. We have well equipped refurbished computer rooms and WiFi access across the site. We have fantastic state of the art purpose designed science laboratories with industry standard specialist science equipment. We have recently refurbished all of our pupil toilets across the site and our Drama Studio.

2022 saw us having our brand new 3G pitch installed and our school offers some of the best sporting facilities in the local area, alongside our Grahame Simm Sports Hall.

The Snaith School is proud to offer an ambitious curriculum that develops the powerful knowledge and skills our pupils need in order to lead successful lives and make a positive contribution to their communities. Our school delivers a curriculum that has at its heart the intention to support pupils to be their 'best self' by removing barriers and ensuring social equality. This is underpinned by a culture that places high value on literacy and vocabulary, which are both crucial to academic achievement, future learning and employment. We are also committed to fostering a culture of reading within school. The Snaith School ensures all pupils have access to the same opportunities regardless of need.
